

Add groups or classes

You can add as many students group or classes as you need.

To add or edit a new group:

1. Go to **menu** -> **Academic Settings** (or directly from the

icon )

2. Go to the tab "**GROUPS**"

3. You will see the example group. You can delete or edit

groups with the icons 

4. To add a new group press 

With the "**JOIN GROUPS**" button you can join several groups together in one group.
